*Kirman Eye guarantees that you will love your contacts!*

That is why we schedule follow up visits for all new contact lens wearers. Please wear your contact lenses to all scheduled follow up visits so our staff and doctors can evaluate your vision, the contact lens fit, and your eye health.

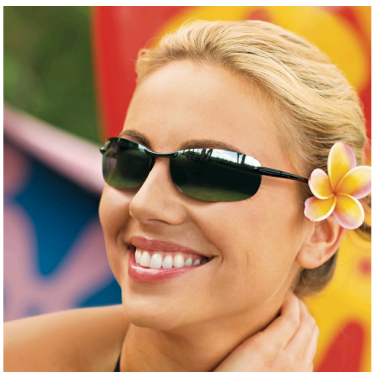

#### **Did you know...**

Contact lens cases should be replaced every three months! Need a new case? Need travel size solutions? Stop by our office as we always have free cases available and travel sizes in many of our most popular solutions.

*Do you have a friend that may be interested in contacts?*

We fit contact lenses for many different visual needs! This includes patients that need correction for astigmatism or multifocal correction! We also fit custom contacts for other unique needs.

*Solution prices valid through 12/31/10*
